

NHS Semester Recap

National Honor Society members kept busy in 2017. With a team consisting of **60** junior and senior members they were able to complete community service to impact people around the community. Mrs. Kriegel is the head sponsor for NHS with Victor Zamora as President, Valerie Lopez as Vice President, Nicole Wycoff as Secretary, and Mattilyn Wiseman as Community Service Coordinator.

One of the main aspects of NHS is serving others. Students were able to provide ice cream treats at the Southwest New Mexico State Fair. They also had the chance to judge the Red Mountain Middle School Science Fair and create Veteran's Day cards for the veterans at DHS. Members also assisted several elementary schools with a Winter Carnival, a Daddy-Daughter activity, and a school play. One of the largest projects done was the haunted house. National Honor Society and Student Senate partnered together to create the DHS West Annex Haunted House for Halloween as a fundraiser. This project turned out very successful. The two clubs were able to raise over \$1,600! \$1,400 was able to be donated to one of our very own DHS staff members!

(NHS and Student Senate members giving check to Mrs. Holguin)

NHS had a good year behind them, and are looking at a great year ahead. Keep your eyes open for applications to be inducted into National Honor Society to become a member yourself!
